BASIC FIELD MANUAL

MILITARY INTELLIGENCE

IDENTIFICATION OF FRENCH NAVAL VESSELS

The material contained in this manual has been secured from many sources. It is the best material available but may be incomplete.

This manual, containing illustrations with explanatory data relative to French naval vessels, is published for limited distribution. It will be used for instruction of officers and men in the appearance and general characteristics of French naval vessels and will be safeguarded as prescribed in AR 380-5.
